#### Waxpol: A Legacy of Excellence

Founded in 1946 by the visionary Sri Purnanand Garg, Waxpol began with a simple yet profound mission: to create a locally manufactured wax polish for India. During a routine car polishing session, Sri Garg realized the absence of an Indian-made wax polish. Determined to fill this gap, he introduced the iconic "Waxpol Auto Polish," bringing Asia its first 100% pure Carnauba Wax polish.

By 1950, Waxpol's success led to its transformation into The Waxpol Industries Limited, a public limited company. Over the decades, Waxpol has grown into a trusted family brand, offering a wide range of high-quality products that cater to automotive, industrial, and household needs.

Today, Waxpol is a symbol of innovation and trust, with a strong manufacturing presence and an extensive sales network that spans India and international markets. For over seven decades, Waxpol has been a partner in excellence, committed to quality and reliability.

#### Waxpol Autopolish

#### The Original Paste Wax

- Pure Carnauba Wax
- Brilliant Shine
- Silicone Free Mold Release
- Water-repellent formula

#### SAFE FOR ENGINE TOUGH ON GRIME

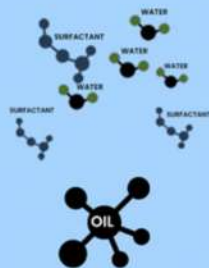

- Quickly cleans grease, heavy dirt and deposits.
- Deep penetrating & dissolving properties.
- Gives clean new look to engine.
- Easy to use – Comes with spray nozzle in pack.
- Applicable on all type of Engine Bays, Wheel Wells etc & safe on Plastic.

**Use on :** All types of Engines including Cars, Lorry, Van, Tractor, Motorcycles, Boats, Lawn Mowers, All Engine Bays, Wheel Well etc.

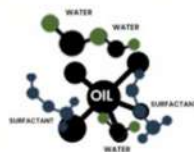

SIZE	PACK	UNIT/CBX	(ERP CODE) SKU CODE	BARCODE
1L SPRAY	POLY	8	CED160	8906015259018
5L	POLY	4	CED170	8906015259025

## VEHICLE'S SURFACE

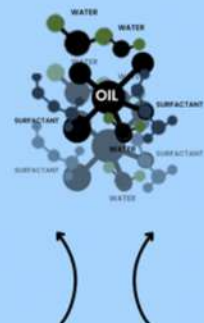

### HOW WASH WORKS

**1. Interaction**  
Water and surfactant molecules surround the dirt and oil.

**2. Emulsification**  
Water and surfactant molecules latch onto the dirt and oil.

**3. Displacement**  
Then lift and flush dirt, grease and oil from the vehicle surface.

## VINYL AND LEATHER, DASHBOARD POLISH

### CLEAN, SHINE & POLISH

- Provides very high shine and gloss.
- Cleans, nourishes and restores surface.
- Protects from UV rays, atmospheric oxidation, bugs etc.
- Prevents surface from looking dull and fading.
- Non Greasy – Does not attract dust, gives high coverage.
- Safe & solvent free formula.

**Use on :** All colours, automotive, household, office, yacht, RV on vinyl, leather, plastic, dashboard, leatherette, sealed wood and great on patent leather.

SIZE	PACK	UNIT/CBX	(ERP CODE) SKU CODE	BARCODE	Applicator sponge

## HOW POLISH WORKS

Basic Polishes and Waxes are washed away in a single wash and the surface looks dull.

High Performance Polishes by Waxpol bond with the surface's top layer, while filling microroughness to create a smooth & durable protective layer that is reflective, Hydrophobic & easy to clean.

# POLISH & WAX

## Hard Wax

4KG	BUCKET	4	ARC850	8906015251647
20KG	BUCKET	1	ARC855	N/A

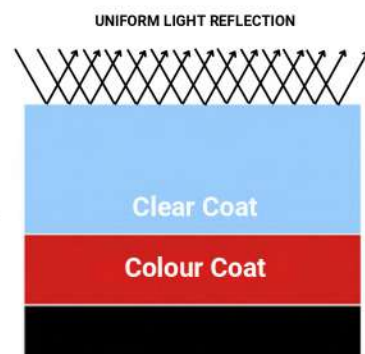

## HOW COMPOUND WORKS

Paint endures weathering and has an uneven microrough surface which allows dirt and contaminants to cling it. Reflects light unevenly hence reducing gloss of the surface.

The Compounding process with advanced polishing powders levels the unevenness on the surface making it smooth and reflective.

Swirl Remover levels the roughness to nanometers to make the roughness smaller than the wavelength of visible light and the nano roughness is practically invisible to the naked eye.

# PAINT CORRECTION

**WAXPOL®**

## X-CUT RUBBING COMPOUND

### FOR HIGH GLOSS FINISH

- Provides high gloss finish & revives dull damaged finishes.
- Easy to use with extra fast cutting power.
- Removes scratches, swirls, oxidation, defects, contamination, overspray, water spots, traffic film, sanding marks of P1200 paper & finer etc.
- For High Gloss Finish dull headlights.
- Save time - No water required while application.
- Easy to clean - Doesn't leave any oily residue.
- Contains no wax, no silicone & is clear coat safe.

**TWO STEP PROCESS WITH COMBINATION OF COMPOUND AND SEALANT FOR A SHINY, CLEAN, AND PROTECTED FINISH.**

- Delivers a "like new" appearance, restoring surfaces effortlessly.
- Quick, easy, and effective application with no tools required.
- Can be applied by hand or machine for convenience.

## ***X-CUT RUBBING COMPOUND***

- Rejuvenates Cloudy and Smudged Headlights: Contains a specially designed blend that work together to eliminate cloudiness, smudges, and yellowing, restoring a crystal-clear, "like-new" finish.
- Improves Sharpness and Visibility: Effectively removes abrasions and haze from uncoated transparent plastic headlights, enhancing light projection and improving safety during night time drives.

**FOR DETAILS REFER TO PAGE- 15**

## ***SILKY TOUCH***

- Maintains Clarity on Headlights: Restores and preserves the shine and clarity of your headlights, improving visibility and enhancing safety.
- Durable UV Protection: Protects from harmful UV rays & Acid rain preventing fading, cracking, and discoloration.

**FOR DETAILS REFER TO PAGE- 09**

## **WIND SHIELD & HEADLAMP CLEANER CONCENTRATE**

- Essential for cars equipped with headlamp washer

**FOR DETAILS REFER TO PAGE- 18**

GLASS

WAXPOL®

# RAIN REPELLENT

## Improves Driving Visibility

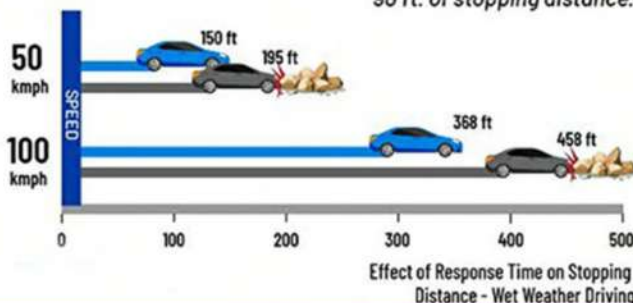

- Hydrophobic formula with Nanotech protective coating to improve driving visibility & safety.
- Beads & Repels Water, Snow, Fog, Oil, Dirt, Dust, Snow any liquid or contaminants, easier to clean Bird Dropping, Bugs etc.
- Self cleaning properties make Water, Dirt etc slide off at highway speed.
- Improves glass durability. Does not cause glare. Does not damage glass.
- Has high coverage, very little amount is required.

## THE 1 SEC ADVANTAGE

Studies have shown that Waxpol Rain Repellent allows drivers to recognise objects 1 second earlier.

At 100 kmph, 1 second could equal 90 ft. of stopping distance.

**Use on:** Car Glass Wind Shield, Shower Door, Exterior Windows, Mirrors & Glass Surfaces, Shower Doors.

Size	Pack	Unit/CBX	(ERP CODE) SKU CODE	Barcode
45ml Kit	Poly	36	ARR110	8906015251371
150gm	Poly	24	ARR130	8906015251388

## GLASS CLEANER

## HIGH PERFORMANCE- STREAK FREE CLARITY

- Ammonia free formula for Invisible glass
- Works quickly to provide crystal clear clarity.
- Kills germs & is a De-Icer (-28°C).
- Sprayable bottle with spray & stream nozzle.
- Removes Bird Droppings, Bug Splatter, Fingerprints, Oily Dirt, Road & Smoke Film
- Tree Sap, Vinyl Fog residue & Wax overspray.
- Prevents Rain, Bugs & Extra Tough Grime from sticking to glass.
- Leaves no Streaks, Oil or Residue on surface.

**Use on :** Tinted Windows, Led / Touch Screen & Multi surfaces like Glass, Camera, Mobile, Table Tops, Stone, Wood, Laminate, Metal, Ceramic, Gel Coats etc.

SIZE	PACK	UNIT/CBX	(ERP CODE) SKU CODE	BARCODE
500ml	POLY	60	AGL406	8906015253333
300ml	POLY	36	AGL425	8906015253364

## ECOSAVER MULTISURFACE &amp; GLASS CLEANER

## FOR ALL HARD SURFACES

- Economical
- Cleans Dirt & Grime with Streak Free performance
- Removes bird droppings, Bug splatter, Fingerprints, oil, smoke film, tree sap & vinyl fog residue from automotive glass
- Water based. pH Balanced, ammonia free, solvent free & biodegradable
- Safe for all surfaces like tinted windows, electronics etc
- Suitable for interior & exterior use.
- Excellent as a Waterless Wash

**Use with :** Hand or machine.

**Use on :** Windscreen, Mirror, TV Screen, Decorative Glass, Table Tops Appliances, Spectacles, Tinted Windows, Stone, Kitchen Surfaces, Countertops, Stainless Steel, Plastic, Rubber, Vinyl Trim, Chrome, Metalized Plastic decals etc.

## WIND SHIELD &amp; HEADLAMP CLEANER CONCENTRATE

## STREAK FREE PERFORMANCE

- Sparkling clarity & streak free performance
- Suitable for Headlamps
- Improves Visibility & Driving safety
- Lubricates wiper blades
- Cleans Oil, Pollution, Film & Dust
- Ammonia free formula is safe for Rubber, Paints & Plastics including acrylics, polycarbonate & tinted windows
- 1:50 and 1:200 variants can be diluted for use as Waterless Wash and Interior cleaner with Spray extraction machine
- Quick and intensive cleaning of Windshield & Headlights
- Reduces Mist formation
- Antifreeze variant protects up to -28C

**Use on :** Fan Spray Nozzles, Plastic Anti Glare Headlights.

# GREASE

**WAXPOL®**

## EP GREASE RED NLGI 3 (HIGH PERFORMANCE)

### SPECIFICATION: NLGI (THE HIGHEST RATING OF GREASE)

- Heavy Duty Grease for Heavy Vehicles & off-road equipment.
- High Dropping point above 280°C gives Thermal Stability.
- Long life 75,000+ Km with excellent Shear Stability.
- Extreme Pressure performance withstands heavy & Shock loads.
- Maximum lubrication with advanced gel technology.
- Protection against corrosion, wear & oxidation.
- Good seal compatibility & excellent lubrication.

**Use on :** All types of Antifriction Bearing used in automobile including Heavy Vehicles like Cars, Trucks, Buses & other Heavy Vehicles.

## AP-3 MULTIPURPOSE GEL GREASE

### SPECIFICATION: NLGI GC CERTIFIED IS: 7623, 12203

- High dropping point above 250°C gives thermal stability.
- Long life 75,000+ Km with excellent shear stability.
- Maximum lubrication with advanced gel technology.
- Protection against corrosion, wear & oxidation.
- High performance certified NLGI GC
- Good seal compatibility & excellent

**Use on:** Automobile & General Industrial Use, Lubrication of Electrical Motor Bearings & Greasing of Motor Vehicles, Construction & Agricultural Machineries.

## UNIVERSAL JOINT GREASE - MOLY BASE

### HEAVY-DUTY HIGH LOAD GREASE WITH NANO LUBRICANTS

#### SPECIFICATION: IS: 13796-2004

- Excellent for Heavy & Shock Loads with extremely high weld load of 800+kgs compared to approx 800+ kgs for regular greases.
- Good heat resistance with high dropping point above 250 C.
- Protects against wear & corrosion.
- Extra Heavy Duty Grease specially suitable for very demanding application including mining.
- Good oxidation stability with advanced Nano lubrication technology.
- Good water resistance & Protects moving parts of vehicles subject to severe shock load impacts.

**Use for :** Quarries, Mining, Docks, Agriculture & Constructions Equipment.

**Use on:** Both Passenger Cars & Commercial Vehicle Components including Flexible Joint, Pivot Pins, Cams, Screw Spines, Shafts, Slide & Fifth Wheel.

## AP-3 MULTIPURPOSE GREASE NLGI-3 MULTIPURPOSE RED GREASE NLGI-3

### SPECIFICATION: IS: 12203:1999 SPECIFICATION: NLGI, IS 7623, IS 12203

- Long Life 50,000km+
- Good water washout characteristics.
- High Lubricity ensures Maximum Lubrication.
- Longer Bearing life.
- High Temperature Stability with Drop Point 200+ C
- Protects against Corrosion, Wear & Oxidation.
- Good Shear Stability for universal application & do not soften after prolonged working.

Use on : Cars, Trucks, Buses, Heavy Vehicles, 2 wheelers, 3 wheelers.

# COOLANT

**WAXPOL®**

ALL OUR COOLANTS MEETS ANTI-CORROSION PROPERTIES OF :  
IS 5759:2006 JISK-2234:2018 CLASS2 ASTM D 3306 BS 6580:2010

- EXTENDED LIFE 100,000+ KM
- SUITABLE FOR BS4 & BS6 UNIVERSALLY COMPATIBLE
- SPECIAL ORGANIC ACID TECHNOLOGY CORROSION INHIBITORS

**BS6**

- Anti-Corrosion & Anti-Rust Properties
- Stops spread of Rust, Corrosion, Pitting, Gunk, Grime & Build-up.
- Non Foaming & reduced evaporation.
- Works with all Metals, Rubber, Elastomers, Plastics & Seals.
- Superior Protection against Corrosion extends Engine Life.
- Protects against sludge formation

**Use on:** Cooling systems of all Heavy & Light Duty Combustion Engines. All Petrol & Diesel Engine Cooling Systems. Cooling system of all Diesel/Petrol Vehicles, Passenger cars, Jeeps, Vans & Tempos. Suitable for all types of vehicles.

## ANTIFREEZE COOLANT CONCENTRATE

### MAKES UP TO 5L

- 1L makes up to 5L
- Ethylene Glycol Base
- Prevents boiling of Cooling water

SIZE	PACK	UNIT/CBX	(ERP CODE) SKU CODE

# BRAKE FLUID

**WAXPOL®**

## BRAKE & CLUTCH FLUID DOT 3

### SUITABLE FOR ALL CLIMATES

- 100% Synthetic.
- Ensures safe driving in extreme hot and cold conditions.
- Exceeds the performance of DOT 3.
- Also suitable for use in hydraulic clutch systems.
- Non reactive to materials in the brake system.
- Not to be used with mineral oil system.
- Specification : FMV SS 116 DOT-3, SAE J 1703 & IS : 8654P.

**Use with :** Either disc or drum brakes including vehicles fitted with ABS systems.

**Use on :** Cars, trucks, buses, heavy vehicles 2 wheelers , 3 wheelers.

SIZE	PACK	UNIT/CBX	(ERP CODE) SKU CODE	BARCODE

## BRAKE & CLUTCH FLUID DOT 4

### SUITABLE FOR ALL CLIMATES

- 100% Synthetic.
- Ensures safe driving in extreme hot and cold conditions.
- Exceeds the performance of DOT 4.
- Also suitable for use in hydraulic clutch systems.
- Non reactive to materials in the brake system.
- Not to be used with mineral oil system.
- For all vehicles using glycol based braking system including EVS.
- Specification : SAEJ1703 & J1704, FMV SS 116 DOT4, JIS 2233 Class4, ISO 4925 Class4.

**Use with :** Either disc or drum brakes including vehicles fitted with ABS systems.

**Use on :** Cars, trucks, buses, heavy vehicles 2 wheelers , 3 wheelers.

# STEERING & TRANSMISSION

**WAXPOL®**

## POWER STEERING FLUID

**SPECIFICATION: GM DEXRON III, GM ALLISON C-4**

- Effective Heat Dissipation.
- Meets requirement of Dexron III GM Allison C4.
- Protects power steering lubrication system.
- Excellent Antifoam properties.
- Protects against Corrosion, Wear & Oxidation.
- Low temperature performance.

**Use on:** Power Steering System of Cars, Trucks, Buses, Heavy Vehicles 2 Wheelers, 3 Wheelers.

SIZE	PACK	UNIT/CBX	(ERP CODE) SKU CODE	BARCODE
250ml	POLY	40	B42010	8906015254143

## ATQ TASA DEX IID

**AUTOMATIC TRANSMISSION FLUID**

**SPECIFICATION : GM TYPE A-SUFFIX A, GM DEXRON IID, ALLISON C3 & C4**

- Possesses High Oxidation & Thermal Stability
- Good low temperature viscosity
- Anti-Foaming property
- Compatible with all type of Elastomer Seals used in Automatic Transmissions
- Maintains oil viscosity across broad temperature range & retains film strength
- Good seal compatibility & excellent lubrication
- Protects against Rust, Wear & Corrosion
- Good Oxidation Stability
- Excellent Anti foam properties

**Use on :** Automatic transmission System

SIZE	PACK	UNIT/CBX	(ERP CODE) SKU CODE	BARCODE

## MULTIGRADE GEAR OIL 80W 90 GL5

## MULTIGRADE GEAR OIL 75W-90 GL5

**SPECIFICATION: SAE 80W-90 API GL-5 MIL-L-15118:2019, MB235.0, MAN M 342 TYPE N, ZF TE-ML 05A, 16C, 17B, 19B**

**SPECIFICATION : SAE 75W-90 API GL5 API MT1 IS 1118: 2019**

- Maintains oil viscosity across broad temperature range.
- Retains film strength under high loads, shock loads & sliding.
- Reduces friction to wear & prolong component life.
- Protects against rust & corrosion in extreme pressure.
- Excellent anti-foam properties.
- Good seal compatibility & excellent lubrication.
- Possesses exceptional thermal stability & protection against oil oxidation
- EP additives smoothen gear functioning & improve ride efficiency

**MULTIGRADE GEAR OIL 80W 90**

**Use on:** Turbocharged trucks, buses, LCVs & Heavy Earthmoving Equipment operating under high speed/low torque or low speed/high torque conditions.

# GEAR OIL

**WAXPOL®**

**GEAROL GEAR OIL EP 90 GL4**  
**GEAROL GEAR OIL EP 140 GL4**  
**AUTO GEAR OIL - 90**

**SPECIFICATION: SAE 90, API GL4**

**SPECIFICATION: SAE 140, API GL4**

**SPECIFICATION: SAE90, API GL4**

**MAXIMUM POWER WITH PROTECTION**

**Fortified with EP Additives for Maximum Power with Protection**

- Maximum lubrication with protection.
- Superior resistance to rust & corrosion.
- Contains multi-purpose sulfur-phosphorous additives for severe service.
- Excellent oxidation stability reducing formation of acid, sludge & varnish.
- Excellent foam resistance.
- Excellent low temperature fluidity.

**Use on:** Gearboxes fitted with synchromesh. Car, Truck Tractor, Bus

**SPECIFICATION: SAE 85W 140, API GL5, MIL-L-2105D**

- Enhanced performance in Gears subjected to extremely heavy & shock loads
- Maintains oil viscosity across broad temperature range
- Retains film strength under high loads, shock loads & sliding
- Reduces friction to wear & prolong component life
- Protects against rust & corrosion in extreme pressure
- Excellent anti-foam properties
- Good seal compatibility & excellent lubrication

**Use on:** Turbocharged trucks, buses, LCVs & Heavy Earthmoving Equipment operating under high speed/low torque or low speed/high torque conditions

# TRACTOR & OFF HIGHWAY

**WAXPOL®**

## MAHA SHAKTI TRACTOR OIL SAE 15W-40 CF-4 (STOU)

### MULTIGRADE OIL FOR TURBOCHARGED TRACTORS SPECIFICATION: API CF-4, IS 13656-2002, EDL-4

- High quality detergents & dispersants, guards against sludge & varnish deposits
- Provides Excellent Wear Protection
- Longer oil drain interval
- Low oil consumption
- Improves fuel economy
- Provides Superior load bearing capacity

**Use on :** Multi – Grade Engine oil for turbo charge tractor and new generation Tractors

SIZE	PACK	UNIT/CBX	(ERP CODE) SKU CODE	BARCODE
7.5L	BUCKET	1	B51050	N/A

## UNIVERSAL TRACTOR TRANSMISSION HYDRAULIC & WET BRAKE OIL 3 IN ONE (UTTO)

### SPECIFICATION: API GL4, MIL-L-2105, ALLISON C3,C4

- Protects against wear & corrosion
- Reduces Friction
- Ensures Longer Transmission life
- Cleans the system

**Use on :** Transmissions, Wet brakes, Hydraulic system, final drives & Independent power take off

SIZE	PACK	UNIT/CBX	(ERP CODE) SKU CODE	BARCODE
5L	POLY	4	B58010	8906015257687
20L	BUCKET	1	B58005	8906015257694

## HYDROL AW68 HYDRAULIC OIL

### SPECIFICATION: IS 10522-1983, DIN 51524 FORTIFIED WITH ANTI-WEAR ANTI-OXIDATION ADDITIVE

- For both Hydrostatic & Hydrodynamic systems, and for heavy duty industrial equipment
- Strong film strength to withstand extreme pressure conditions
- Extends life of hydraulic equipment
- Formulated with high quality base stocks & additives
- Excellent wear protection, lubrication & shear stability

**Use on :** L&T, Tata Hitachi, Komatsu, Caterpillar & recommended for Heavy Duty Industrial Equipment.

# LIGHT COMMERCIAL & 3 WHEELERS

**WAXPOL®**

## SUPER 2T ENGINE OIL JASO FC

### A HIGH PERFORMANCE OIL FOR TWO-STROKE ENGINES

#### SPECIFICATION: JASO FC

- Quick start & improved pick-up
- Low smoke & low emission
- Longer engine life
- Improves fuel efficiency

**Use on :** CNG, LPG and Petrol Engines of Motorcycles, scooters Mini speed Boats, Power Tillers etc with 2 stroke engines.

SIZE	PACK	UNIT/CBX	(ERP CODE) SKU CODE	BARCODE
40ml	SACHET	200	C2T010	8906015256611

## AUTO MAX SAE 15W-40 CH4

### SUPERIOR PERFORMANCE & PROTECTION

#### SPECIFICATION: SAE 15W-40, API CH-4, MIL-L2104E

- Longer Engine Life.
- More responsive Engine & Quick Pickup.
- Reduce Oil Consumption.
- Thermal Stability & Protection from Oxidative Thickening.
- Improved Stop-Go Performance.

**Use on :** Car, Auto, Truck, Bus & Heavy Vehicles.

SIZE	PACK	UNIT/CBX	(ERP CODE) SKU CODE	BARCODE

## ENGINE OIL SAVER + TREATMENT

### 50ML TREAT UP TO 1.2L ENGINE OIL

- Extends Engines life & performance.
- Reduces Smoke, Exhaust Emission & Stops oil burning.
- Reduces excessive oil consumption & improves fuel economy.
- Reduces Engine Noise & prevents Engine Wear.
- For all Engine oils including petroleum based Synthetic Oils.

**Use on :** All Engine oils including Petroleum based Synthetic Oils, can be used in 2 wheelers, 4 wheelers & Heavy Vehicles.

SIZE	PACK	UNIT/CBX	(ERP CODE) SKU CODE	BARCODE
50ml	TIN	72	B17060	8906015254327
250ml	TIN	24	B17050	8906015254310

## FUEL INJECTOR CLEANER + COMPLETE FUEL SYSTEM

### FOR ALL DIESEL AND PETROL ENGINES

- Cleans fuel system.
- Keeps injectors cleaner.
- Saves fuel.
- Protects from rust and corrosion.
- Improves engine performance & pick up.
- Improves pickup.
- Lowers emissions.
- Reduces smoke.
- Adds lubricity.
- Friction control.
- Disperses water.

**Use with :** All Regular Biofuel & Premium Fuels. 250ml treats up to 50L fuel. To derive maximum efficiency, repeat every 3500Kms. For engine clean up add full bottle to almost empty tank & run few kilometers before refueling.

**Use on :** All diesel and petrol engines.

SIZE	PACK	UNIT/CBX	(ERP CODE) SKU CODE	BARCODE
250ml	POLY	20	B22010	8906015257786

## ENGINE FLUSH CONCENTRATE

### KEEPS NEW ENGINE OIL FRESH

- Safe & powerful cleaning in just 5 minutes.
- Detergent – Dispersant based formula.
- Penetrates deeply to clean.
- Maintains efficient oil circulation.
- Improves Mileage, Fuel Economy, avoid Black Smoke.
- Removes Accumulated Deposits, Sludge, Lacquer.
- Compatible with all Engine oils - Petrol, Diesel & Gas Engines.
- 50ml can be diluted up to 1L.

**Use on :** All types of Internal Combustion Engine Petrol, Diesel & Gas Engines.

SIZE	PACK	UNIT/CBX	(ERP CODE) SKU CODE	BARCODE
50ml	TIN	72	B16019	8906015257748

## CNG 20W50 ENGINE OIL

### HIGH PERFORMANCE MULTI-GRADE GAS ENGINE OIL

**SPECIFICATION: SAE 20W-50, API CD/SF**

- Extended engine life & reduced oil consumption in all seasons
- Superior antifoam performance
- Dissipates heat & keeps the gas engine cool
- Latest generation dispersants for outstanding engine cleanliness
- Specially formulated for CNG & LPG Engines to keep the environment clean

**Use on:** All 4 Stroke Gas Engines where 20W50 is recommended for High Performance like Cars, Taxis, Vans, Jeeps, RTVs & 3 Wheelers.

**WAXPOL®**

## CK 4 15W-40 ULTRA HEAVY DUTY DIESEL ENGINE OIL

### ULTIMATE PROTECTION & STAY IN GRADE PERFORMANCE

**SPECIFICATION:** SAE 15W-40, API CK-4/SN, ACEA E7-16 (2016), ACEA E9 16(2016), VOLVO VDS 4.5, RENAULT RLD-4, CUMMINS CES 20086, DETROIT DIESEL DFS93K222, FORD WSS-M2C171-F1, DAIMLER MB 228.31, MACK EOS-4.5, MTU TYPE 2.1, DDC93K222, CAT ECF-3, MAN3775

- Advanced low SAPS Technology for Emission control system
- Ultimate keep clean technology with maximum soot dispersion protects against sludge formation
- Designed for Engine with Catalytic Convertors, Diesel Particulate Filters(DPF), exhaust Gas Recirculation (EGR), Turbocharges.
- Ultimate anti-foam properties ensures aeration control
- Ultimate thermal stability & maximum protection from oxidation thickening
- Ultimate protection from wear & corrosion
- Maximum shear stability for excellent stay in grade performance

**Use on:** Euro VI & Bharat stage VI vehicles equipped with emission control system like DPF, EGR, etc.

SIZE	PACK	UNIT/CBX	(ERP CODE) SKU CODE	BARCODE

## Use for

Automotive	
Agriculture, Construction & Mining Machinery	
Industrial Machinery	
Tools & Hardware	
Marine & Fishing Equipment	
Farm & Garden Equipment	
Home & Office	

## Direction for use

1. Shake can well before use
2. Point the spray towards the area of use & spray it sufficiently to soak
3. Use Extension straw for precision applications
4. For metal protection do not wipe off

## MULTI USE SPRAY

## LUBRICATES REMOVES RUST & WATER

- 360° spray with 95% less gas
- Great for Lubrication, Degreasing, Cleaning, Protection & Penetration
- Water Displacement
- Loosen Rust, Frees Sticky Mechanism
- One formula, multi functions.
- Safe for almost anything
- Easy and Convenient to use
- It also protects from Rust or corrosion.

**Use on :** Automotive, Home & Office. Agriculture, construction & mining machinery, industrial machinery, tools & hardware, marine & fishing equipment.

40gm	TIN CONTAINER	150	ASH230	8906015252927

BIS CERTIFIED:  
IS:1746

### VALVE GRINDING PASTE

#### COARSE TO CUT AND FINE TO FINISH

- Three grades: Fine, coarse and extra coarse
- Removes rust, grime and burrs on metal.
- Specially formulated proprietary grease base.
- Uses silicon carbide abrasive (one of the hardest materials).
- Double ended tins are with fine and coarse.
- Used to grind seating valves, honing cylinders, cylinder heads.

**Use on :** The seat of valves in engines, lapping and seating valves in automotive, agricultural, garden engines and other general engineering applications.

SIZE	PACK	UNIT/CBX	(ERP CODE) SKU CODE	BARCODE
50gm	TIN CONTAINER	144	AVG112	8906015251531
100gm	TIN CONTAINER	72	AVG115	8906015251524
400gm (Fine)	TIN CONTAINER	40	AVG130	8906015251517
400gm (Coarse)	TIN CONTAINER	40	AVG140	8906015251548

### GASKET SHELLAC

#### SPEACIALLY FORMULATED HARD SETTING LIQUID DESIGNED TO COAT, SEAL & REPAIR

- For metal gaskets including cork, felt, paper, rubber and threaded connections.
- Heat and pressure tested heavy bodied adhesive unaffected by petrol, oil, grease and water.
- Gives smooth uniform film when applied with brush.
- Increase sealing reliability.
- Cleans up fast.
- Easily applicable on the surface.
- Excellent for pipe jointing.
- Resistant to petrol and lubricating oil.
- Comes with easy-to-use brush top.

**Use on :** Flanged surfaces, common gasket material and threaded connections, hose connections and threaded assemblies.

SIZE	PACK	UNIT/CBX	(ERP CODE) SKU CODE	BARCODE
50ml	BRUSH BOTTLE	144	AGS655	8906015252415

### GUN OIL

#### FOR GUN, RIFLE, PISTOL

- Use as Bore Cleaner, Rust Protectant & Lubricating Oil.
- Neutralizes the effect of Sweat & Skin oils.
- Safe on wood stocks, polymers, plastics.
- Cleans powder residue.
- Protects from corrosion & preserves super thin film lubrication for smoother action.
- High penetration reaches all moving parts.
- Displaces & Repels moisture.
- For all calibres & gauges.
- 70 years of experience in gun oil.
- CLP- Clean Lubricate & Preserve.
- Ideal For all firearms & Knives.
- Conforms to JSS 9150-11

**Use on :** Gun, Rifle, Pistol etc.

SIZE	PACK	UNIT/CBX	(ERP CODE) SKU CODE	BARCODE
50ml	POLY	96	B47010	8906015257762

5L	POLY	4	B47025	8906015257755

# DISINFECTANT

**WAXPOL®**

- Kills 99.9% germs.
- Time tested formulation with proven effectiveness against Coronavirus.
- Formulation guided by recommendations of WHO, Indian Ministry of Health & US CDC for disinfecting Coronavirus. Drug Authority Licensed.
- 70+% Alcohol based.

## INSTANT HAND SANITIZER

### WITH ALOE VERA

- Liquid Formula spreads adequately and gives sufficient contact time while drying to kill virus.
- Nourishes with aloe vera- Keeps skin from drying while the sanitizer kills germs.
- Opaque packaging so that active ingredients stay potent

SIZE	PACK	UNIT/CBX	(ERP CODE) SKU CODE	BARCODE
20ml	POCKET	72	AHS006	8906015252545
50ml	POLY	200	AHS009	890601522538
100ml	POLY	36	AHS010	890601522590
200ml	POLY	48	AHS025	8906015252576
500ml	POLY	20	AHS022	8906015252552
1L	POLY	12	AHS005	8906015252583
5L	POLY	4	AHS020	8906015252569

## ALL SURFACE DISINFECTANT CLEANER

### MULTI SURFACE CLEANER WITH 70+% ALCOHOL

- Cleans and disinfects all surfaces.
- Streak free clarity.
- Works as De-icer up to -28°C / -20°F.
- Ammonia free formulation is safe to use.

**Use on:** All surfaces interior and exterior use : Furniture and surfaces, gadgets and appliances, car interior and exterior , plastics, metal surfaces

SIZE	PACK	UNIT/CBX	(ERP CODE) SKU CODE	BARCODE
500ml	SPRAY BOTTLE	24	ASC025	8906015251319
300ml	SPRAY BOTTLE	36	ASC030	8906015251340
5L	POLY	4	ASC040	8906015251326

## XTRA STRONG ALL SURFACE DISINFECTANT CLEANER

### HOSPITAL GRADE DISINFECTANT

- kills 99.99% Bacteria, Viruses & Fungi
- Cleans & Disinfectant all hard Non-Porous Surface
- Ready To Use at Max strength
- Dilute for Regular Disinfectant
- Time tested formulation with ultimate results
- Formulated with 40+ years of experience in Disinfectant

SIZE	PACK	UNIT/CBX	(ERP CODE) SKU CODE	BARCODE
5L	POLY	4	ASD025	8906015252811
20L	POLY	1	ASD010	N/A
200L	POLY DRUM	1	ASD050	N/A

## Thermal Management

### 1. EV C50 COOLANT OAT LOW CONDUCTIVE

- Electrical conductivity: <50  $\mu\text{S}/\text{cm}$ .
- Hydrolysis Advantage: Reduced hydrogen generation.
- All-round Metal Protection: Focus on diverse materials.
- Miscible with low-conductive fluids.

Packaging

205L Barrel

### 3. EV CA-VM EV | ANHYDROUS THERMAL MANAGEMENT FLUID (WATER MISCIBLE)

- Electrical conductivity: <5  $\mu\text{S}/\text{cm}$ .
- High Boiling Point: >200°C, superior to typical glycol-based coolants.
- Anhydrous ethylene glycol base with lower thermal conductivity.

Packaging

205L Barrel

### 2. FULL CELL COOLANT (FC COOLANT)

- Electrical conductivity: <5  $\mu\text{S}/\text{cm}$ .
- Targeted for Fuel Cell Electric Vehicles (FCEVs).
- Specific to fewer metals for protection.

Packaging

205L Barrel

### 4. EV DIELECTRIC THERMAL MANAGEMENT FLUID

- Dielectric properties: Stable at 20,000V at 1mm.
- Base: Anhydrous water-intolerant, suited for dielectric environments.
- Boiling point: >150°C, ensuring stable operation for BEVs.

Packaging

205L Barrel

## Lubricants & Fluids

### 5. DOT 4 EV (BRAKE & CLUTCH FLUID)

- Exceeds DOT3 standards for extreme temperature operations.
- Compatible with all brake and clutch systems in electric and new energy vehicles.

Packaging

100ml, 250ml, 500ml, 205L Barrel

### 7. HUB GREASE EP3

- Designed for antifriction bearings and chassis lubrication.
- High water and oxidation resistance.
- Extended service interval: up to 75,000 km under ideal conditions

Packaging

210L Barrel, 180 Kg.

### 7. TRANSMISSION FLUID 75W

- Fuel Economy Benefits: Low viscosity synthetic formulation.
- Improved shift comfort and synchronizer life.
- High shear stability ensures consistent performance.

Packaging

205L Barrel

### 8. DEXRON III

- Specific to systems requiring Dexron III specifications.
- High-temperature stability to prevent boil-over.
- Designed for wear and thermal protection.

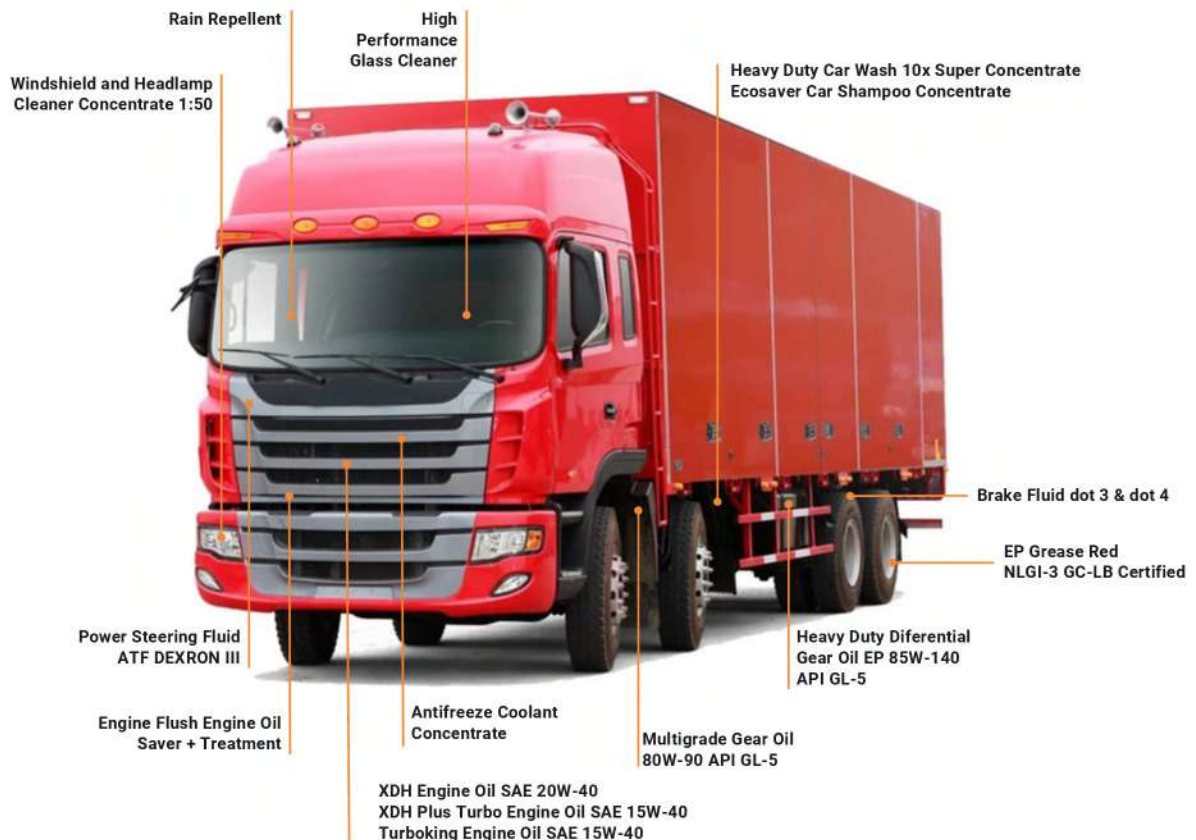

Packaging

205L Barrel
