Vinyl, Leather & Dashboard Polish

Easy Use on Vinyl, Leather, Plastic, Dashboard, Leatherette & Patent Leather

- Very High Shine that lasts long
- Restores Surface, Cleans & Nourishes
- Protects from UV Rays, Oxidation, Bugs etc.
- Non Greasy – Does not attract Dust
- High Coverage, No white Powdery Residue
- pH Balanced & Solvent Free

Packaging: 10ml Sachet, 100ml Pump Bottle, 125gm & 3.5kg

Leather Conditioner

Cleans, Conditions & Protects
For All colours smooth finished leather Surfaces like automotive interior, upholstery luggage, belts, shoes, bags, leather jackets etc.

- Cleans, softens & nourishes leather
- Prevents leather from drying, cracking & fading.
- Revives the natural, soft look & feel of leather
- Wax free & non greasy - Does not attract dust & leaves no white residue.
- Safe & solvent free formula spreads easily to provide high coverage.
- Easy to use with push dispense bottle.

Packaging: 200ml Pump Bottle & 5L

All Purpose & Dashboard Polish

With Foam Applicator
DIY use on Vinyl, Plastic, Dashboard, etc.

- High Shine & Gloss
- Restores Surface, Cleans & Nourishes
- Protects from UV Rays, Bugs, Oxidation
- High Coverage, Non Greasy, Does not attract Dust
- Solvent free & pH Balanced
- No White Powdery Residue

Packaging: 10ml Sachet + Foam Applicator

Multisurface Protectol

Multipurpose Liquid Polish Shines & Protects
For all Rubber, Vinyl, Leather, Plastic, Sealed Wood & Painted Surfaces.

- Excellent as a complete Bike polish
- Gives Glossy Shine
- Restores & Nourishes
- Protects from UV Ray, Acid Rain, Bug & Dust
- Non Greasy, No White Powdery Residue
- pH Balanced, Solvent Free & Suitable for all colours

Packaging: 100ml Spray Bottle, 200ml Spray Bottle, 1L & 4L

Quick Shine - Sponge Polish

Shines & Protects your Vehicle Instantly

- Safe on skin
- Effective over a wide temperature range
- Possesses excellent non-stick properties
- High Shine & Gloss
- Ready to use polish in sponge
- Save time giving instant results

Packaging: 1 Unit

All In 1 Polish

Multipurpose Polish

- Economical
- Instant Gloss
- Enhances Rich Colour
- Easy on- Easy off Application Saves Time
- Doesn't leave White Powdery residue
- pH Balanced
- Safe for all finishes and clear coats
- Use on Hands & Skin
- Use with: Hand or Machine
- Use on: All finishes & clear coats. Safe for Plastic, Vinyl Trim, Chrome, Metalized Plastic, Decals

Packaging: 300ml

Exterior

Paste Ultra Glo

Premium Paste Wax for Hydrophobic Protection
For All Paint Finishes & Colours

- Easy to use Cream Polish with included Applicator
- High Gloss that lasts long
- Water Beading Formula
- Protects from UV Ray, Acids Rain, Bugs, Oxidation etc
- Use by Hand or Machine

Packaging: 60g Tin, 100g Tin & 250g Tin

2-IN-ONE Polish Cleanser + Polish

Restores Original Shine

For All Paint Finishes & Colours

- Cream polish that restores, shines & protects paint. Applicator included.
- Restores paint & cleans dull film, oxidation, dirt, swirls, stains & minor scratches.
- Provides durable shine & nourishes to enrich colour.
- Hydrophobic effect beads Water, protects from UV rays, acid rain, bugs, dirt, oxidation etc.
- Clear coat safe formula for use on all colour paints & metallic surfaces. Great on dull, weathered surfaces. Also use as paste metal polish & protector.

Packaging: 100g Tin & 250g Tin

Hard Wax

Carnauba-Hard Wax Extra Shine & Protection

Highest performance paste wax made from the finest quality carnauba wax.
For All Finishes & Colours

- Very durable mirror like shine & surface smoothness; excellent as mold release.
- Nourishes to enrich & deepen colour.
- Protects from UV rays, acid rain, bugs, dust, oxidation etc.
- Hydrophobic Water beading formula repels water.
- Minimum consumption with high coverage; use with foam applicator pad with hand or machine

Packaging: 100g Tin & 250g Tin

Auto Polish – Super Quality Polish

The Original Paste Wax

Use On All Finishes

- Brilliant Shine
- Excellent Silicone Free Mold Release
- Long-lasting Water-repellent formula
- With Pure carnauba wax
- Restores Natural Colour, Lustre& Shine

Packaging: 100g Tin, 200g Tin, 500g Tin, 2kg Tin

Scooter Polish

First Polish Specially For 2 Wheelers

Use On All Finishes

- Brilliant Shine
- Water Repellent Formula
- Pure Carnauba Wax
- Restores Natural Colour, Lustre& Shine

Packaging: 50gm Tin

Conservation Wax

Cleans, Protects & Conserves Hard Surfaces

- Provide High Gloss
- Cleans, Shines & Protects
- Provides Protection from Corrosion & Bug deposit
- Highly Efficient Moisture Resistance
- Restores Surface
- Very Durable Wax Polish
- Doesn't stain or darken
- Suitable for all colours

Packaging: 65ml

Liquid Silky Touch

Advanced Hydrophobic Paint Protection For All Paint Finishes & Colours

- Highest Performance Liquid Wax with Hybrid Nano tech
- Durable High Gloss
- Protects from UV Ray, Acid Rain, Oxidation, Dust etc
- Water Beading Formula
- Use by Hand or Machine
- No White Residue

Packaging: 100ml, 300ml Spray Bottle & 4L

Wax Polish Liquid For Showroom Finish

Liquid With Super Cleaning Agent

For All Finishes & Colours

- Liquid polish with super cleaning agents & premium waxes.
- Restores paint & cleans dull film, oxidation, dirt, swirls, stains & minor scratches.
- Provides durable shine & nourishes to enrich colour.
- Hydrophobic effect beads Water, protects from UV rays, acid rain, bugs, dirt, oxidation etc.
- Clear coat safe formula for use on all colour paints & metallic surfaces. Great on dull, weathered surfaces. Also use as liquid metal polish & protector.
- Use by Hand or Machine

Packaging: 100ml, 150 ml & 1L

New Gen Silicone Polish

New Water Repellent Formula

Multipurpose Liquid Polish for Cars, Two wheelers, Appliances & Furniture

- Glossy shine
- Restores, Nourishes & Preserves
- Protects from UV Ray, Dust, Acid Rain, Oxidation etc
- Water Beading Formula
- Non Greasy & Free from Abrasives
- pH Balanced, Solvent Free & Environment friendly
- Use by Hand or Machine

Packaging: 50ml, 300ml Spray Bottle, 1L & 5L

Silicone Polish

Cleans & Polishes

Water repellent Liquid Polish for all Hard Surfaces

- High Gloss shine& surface smoothness; excellent as mold release.
- Nourishes to enrich & deepen colour.
- Protects from UV Ray, Dust, Acid Rain, Oxidation etc.
- Hydrophobic Water beading formula repels water.
- Minimum consumption with high coverage; use with foam applicator pad with hand or machine
- Not to be used on Metalized Plastic.

Packaging: 200ml & 300ml

Tyre

Tyre Shine

Restores New Look

Use on Any Colour Tyre, Mud Flap, Hard Vinyl Trim, Blade Rubber, Bumpers

- Provides High Gloss Shine & Lustre
- Forms a protective coating shielding from Sun & Rain
- Prevent Tyre from Drying & Cracking
- Water Resistant Protective Layer
- Protect from UV Ray, Acid Rain and Dust
- Non Greasy – Doesn't attract dust

Packaging: 100ml, Spray Bottle, 300ml Spray Bottle & 4L

Ecosaver

Ecosaver All Purpose Polish

Multipurpose Polish For All Surfaces

For Garage & Workshop Use

- Very Economical polish for high gloss
- High Coverage
- Easy Application, Saves Time
- No White Powdery Residue
- pH Balanced, Safe for all finishes
- Environment Friendly, Safe on Hands
- Hand or Machine (Foam Pad) Use

Packaging: 10ml Sachet, 200ml, 1L & 5L

Fabric

Carpet & Upholstery Cleaner

Foaming Spot Remover Cleans Dirt & Stain on Car, Boat, Aircraft, Furniture, Carpets, etc

- Specially designed for use on soft furnishings.
- Powerful cleaning foam quickly cleans stains & soil.
- Safe Solvent free water-based formula.
- Restores original look, plush feel& elegant look.
- Ready-to use no rinse formula with 360 Aerosol application.
- Cleans: Dirt, grime, smoke film, heavy soil & stains (coffee, fizzy drinks, grease, fruit juice, oil, ketchup, red wine etc).

Packaging: 528ml (490g) Aerosol

Applicator Car Wash Sponge

Xtra Strong

Soaks and foams for superior cleaning and foaming.

- Heavy duty, polyurethane sponge.
- Large pores trap dirt for easy & fast cleaning.
- Shaped for easy handling & good grip while washing.
- Maintains shape while washing & last longer.
- Soft, non abrasive sponge does not scratch or leave swirls & is clear coat safe.
- Use on: Vehicles, boat, home & office, ceramic tiles, wood, laminate, glass windows, mirrors, kitchen window etc.

Regular: 16.5cm x 7cm x 5cm
Jumbo: 29cm x 12cm x 5cm

Microfibre Cloth

High density & plush All-purpose microfibre cloth towels

- Suitable for most detailing tasks like drying, buffing, and detail work.
- Ultra soft & non-abrasive - prevents swirls or scratches on sensitive paintwork and automotive surfaces.
- High polyamide content for increased absorbency, ideal for drying & buffing.
- Split fibers with superior cleaning, high water absorption

Packaging: 40x40 cm Grey, 30x30cm Blue interior

Wash Car Shampoo + Polish

Wash, Shine & Protect

For Bucket, Foam, Snow Foam Wash

- Wash & wax in one step
- Real Brazilian Carnauba Wax for protection
- Superior cleaning
- One 300ml bottle gives up to 20 – 30 washes
- Contains no harsh detergents or abrasives & is clear coat safe

Packaging: 15ml Sachet, 300ml & 1L

Heavy Duty Car Wash Shampoo

Snow Foam Concentrate

• Snow Foam Concentrate 1:150.
• 125 washes per L / Rs 5 per car.
• 5L Makes 750L of Wash solution.
• Easily cleans tough dirt bird dropping, road grime, tree sap, bugs, tar etc.
• Gentle formula doesn't damage paint.
• Contains no harsh detergents or abrasive & is clear coat safe.
• Use on: Ideal for Snow foam wash, Foam wash, Bucket wash.

Packaging: 8ml Sachet, 100ml, 300ml, 1L, 5L

Ecosaver Car Shampoo Concentrate

Economical Wash Shampoo

For Garage & Workshop Use

- Provides high foaming & powerful cleaning
- 5L = 1000L of wash solution
- Car can be used for bucket, foam or snow foam wash
- Contains no harsh detergents or abrasive & safe for clear coat
- Use on: Bucket wash or Pressure Wash

Packaging: 200ml, 1L, 2.5L, 5L, 10L, 20L, 50L & 205L

Glass

Wind Shield & Headlamp Cleaner Concentrate

Removes Dirt & Blinding Film in Seconds
For quick & intensive cleaning of all Glass Surfaces

- Removes dirt, grime, stains, smear marks, bird dropping, insect deposit, bugs, fingerprints, residue, oily film etc.
- Lubricates wiper blade
- Reduces mist formation, smear marks, grime and bugs.
- Compatible with fan spray nozzles, plastic anti glare headlights
- Dilute & use a cleaner for Waterless Wash, Architectural Glass Washing Glass Cleaner
- Has antifreeze properties (only in certain pack sizes).

Packaging: Antifreeze (1:10) – 100ml, 200ml, 2.5L Summer (1:200) 50ml Bottle, 200ml Summer (1:500) 50ml Pouch.

Glass Cleaner

High Performance Streak Free Clarity

For All Glass Surfaces including Screens & Optics

- Get invisible like glass with crystal clear clarity.
- Kills germs and is a De-icer (-28°C).
- Cleans tough dirt, bird droppings, bug splatter, fingerprints, only dirt road & smoke film, tree sap, vinyl fog residue & wax overspray
- Sprayable bottle with spray & stream nozzle.
- Leaves no streaks, oil or residue on surface & prevents contaminants from sticking to glass
- Ammonia free formula is safe for tinted windows, led touch screens, phones, Optics.

Packaging: 50ml Spray & 300ml Spray.

Rain Repellent

Improves Driving Visibility

For Windshield, Shower doors, Exterior Windows & Solar Panels

- Hydrophobic formula with Nano tech protective coating to improve driving visibility and safety.
- Beads and repels water, snow, fog, oil, dirt, dust, snow any liquid or contaminants, easier to clean bird dropping, bugs etc.
- Self cleaning properties make water, dirt etc slide off at highway speed.
- Improves glass durability. Does not cause glare. Does not damage glass.
- High coverage with low consumptions. Use with applicators included.

Packaging: 45ml kit & 200ml

Degreaser

Engine D-Greaser

Safe for Engine Tough on Grime

- Quickly cleans grease, heavy dirt & deposits.
- Deep penetrating & dissolving properties.
- Gives clean new look to engine.
- Easy to use – Comes with spray nozzle in pack.
- Applicable on all type of engine bays, wheel wells etc and safe on plastic.
- Use on: All types of engines including cars, lorry, van, tractor, motorcycles, boats, lawn mowers, all engine bays, wheel well etc.

Packaging: 1L Spray & 5L

Chain Cleaner

Quick & Powerful Cleaning

- Penetrates with powerful cleaning action
- Instantly loosens Oil, Grease & Dirt
- Compatible with all chain types (O-Ring, X-Ring, Z-Ring)
- Chlorine Free Formulation

Packaging: 150 ml/110g Aerosol Tin

Ecosaver Multisurface & Glass Cleaner

Tough on Grease & Grime

For All Hard Surfaces

- Economical
- Cleans Dirt & Grime with Streak Free performance
- Removes bird droppings, Bug splatter, Fingerprints, oil, smoke film, tree sap & vinyl fog residue from automotive glass
- Water based, pH Balanced, ammonia free, solvent free & biodegradable
- Safe for all surfaces like tinted windows, electronics etc.
- Suitable for interior and exterior use.
- Excellent as a Waterless Wash

Packaging: 200ml Spray, 500ml Spray & 5L

Scratch Remover

Scratch Remover

For Use on All Colours of Painted Surfaces

- Removes minor scratches, swirls, haze, blemishes, oxidation, bird dropping, tree sap, minor paint marks, water spotting, surface contaminations and abrasions.
- Permanently remove defects, unlike other products that temporarily cover it up.
- Works on scratches that can be seen but not felt with fingernail.
- Makes surface look like new.
- Clear coat safe.

Packaging: 150gm Tube.

Rubbing Compound

Rubbing Compound Green

- Provides Shine
- Removes Orange Peel & Uneven paint particles on painted surfaces
- Removes Swirl Marks, Oxidation, Stains, Dull film, Minor Scratches, Bug, Tar etc.
- Contains no wax and no silicone
- Is Clear Coat Safe
- Use by Hand or Machine for Heavy Cut

Packaging: 200gm, 500gm, 1kg, 4kg & 20kg

Rubbing Compound High Finish

- Provides Shine with Heavy Cut
- Removes Orange Peel and Uneven paint particles on painted surfaces
- Removes Swirl Marks, Oxidation, Stains, Dull film, Minor Scratches, Bug, Tar etc.
- Contains no wax and no silicone
- Is Clear Coat Safe
- Use by Hand or Machine for Heavy Cut

Packaging: 200gm, 500gm, 1kg, 4kg & 20kg

2K Rubbing Compound

For High Gloss Finish

- With Fourth Generation Powder Technology (4GPT) for fast cutting
- Restores to a High Gloss Finish
- Removes P1200 Paper Mark, Defects, Swirls, Scratches and Oxidation
- Restores Dull Headlights
- No Wax and No Silicone, Clear Coat Safe
- Use by Hand or by Machine

Packaging: 50gm, 100gm, 200gm, 500gm, 1Kg & 4kg

X-Cut Rubbing Compound

For High Gloss Finish with Fast cutting

- Restores to a High Gloss Finish
- Removes P1200 Paper Mark, Defects, Swirls, Scratches & Oxidation
- Restores Dull Headlights
- No Wax and No Silicone, Clear Coat Safe
- Use by Hand or by Machine
- Safe on any painted surface, glossy finish, clear coats, laminates, acrylic, PU etc.

Packaging: 100gm & 500gm.

Swirl Remover 2000

Removes Swirl, Holograms & Ultrafine Scratches

Specially suitable on black & dark colour paint and for long term coatings like Ceramic

- Removes swirls and provides gloss and enhances colour and clarity of paint.
- Excellent for removing defects like holograms, haze, light scratches.
- Ultra-Fine polishing agents give quick results with minimum effort
- Safe on any painted surface, glossy finish, clear coats, laminates, acrylic, PU etc.
- Use by Hand or by Machine
- No Wax and No Silicone, Clear Coat Safe

Packaging: 200gm.

Furniture

Furniture Polish Restorer

Cleans, Shines, Protect & Nourishes

For All Shades of Finished Wood Surfaces & Laminates

- Cleans & Shines.
- Conditions, nourishes & refreshes.
- Protects against bleaching, UV rays & weathering.
- Doesn't strip or dissolve original finish.
- Solvent free.

Packaging: 200ml Spray Bottle & 5L

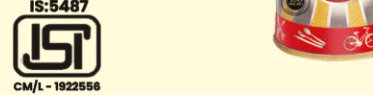

Metal

Metal Polish

Cleans & Polishes

- Use on all Metal Objects for Shine
- BIS Certified Product
- Brilliant shine
- Cleans & revives
- Removes tarnish & restore natural colour
- Not for use on metalized plastic, vinyl tops & simulated wood

Packaging: 100ml & 200ml Tin

Silver Polish

Clean, Shines & Revives In One Easy Step

For All Metal surfaces, especially Silver, Gold, Platinum, Aluminium & Stainless Steel

- Cleans, revives & rejuvenates dull silver, to a brilliant shine
- Removes tarnish & discoloration.
- Revives natural colour lustre & shine.
- Quickly, safely & easily shine silverware at home without scratches & bare loss/ damage to silver metal including Jewelry with Gemstones
- Does not scratch surface.
- Not suitable to silver coated or lacquer coated products.

Packaging: 100ml

Kit

Ecosaver Premium 6-Piece Kit

All-in-one Car & Bike care solution.

- Silky Touch Polish 100ml – 1pcs: High-gloss, UV-protection, water-repellent.
- All-Purpose Polish 200ml – 1pcs: Multipurpose, eco-friendly, no residue.
- Car Shampoo 200ml – 1pcs: pH-balanced, removes dirt safely.
- Glass Cleaner 200ml – 1pcs: Streak-free, ammonia-free clarity.
- Sponges 11x6.5x2.5 cm – 1 pc For washing and polishing.
- 1pc Microfibre 40 X 40 cm

Car & Household Kit

16-piece Kit with 5 applicators & bucket for Complete Clean, Shine & Protect For Car, Bike & Home Care

- Paint Correction & Protection: Scratch Remover + Xcut + Silky Touch
- Complete Clean up: HD Car Wash + bucket
- Glass Care: Glass Cleaner + Windshield Cleaner Concentrate
- Interior & Tyre Care: Vinyl Leather Polish+Tyre Shine
- Household Shine: Metal Polish + Furniture Polish Restorer
- 5 specialized applicators
- 2 specialized Microfibre + 3 specialized Sponges

Home Cleaning Kit

A perfect solution for all your cleaning needs

- Cleans & Protects: Glass, LED screens, rubber, leather, vinyl, wood, metal, Silver, gold, brass, stainless steel, and finished surfaces.
- Perfect For: Furniture, appliances, tiles, floors, decor, Shoes, bags, sofas, wardrobes, and musical instruments.
- Ideal Use: Homes, hotels, cars, boats, and aircraft.

Floor

Floor Polish - White Neutral

Super White Quality

For All Stone & Wooden Floors, Furniture, Handicraft

- Imparts sustained sparkling Mirror Finish shine to the surface.
- Protects. Water resistant. Hygienic. Long lasting coating.
- Neutral Colour
- Easy to apply.
- Protects against any corrosive action on surface.
- Provides hygienic protection to the surface.

Packaging: White Neutral : 200g, 400g, 1kg, 2kg & 15kg

Floor Polish Red

Imparts sparkling shine

Brake Fluid

DOT4 Brake & Clutch Fluid

Suitable For All Climates

For disc or drum brakes including vehicles fitted with ABS systems in Cars, Trucks, Buses, Heavy vehicles, 2 wheelers & 3 wheelers

Specification :SAE 11703 & 11704, FMV SS 116 DOT4, JIS 2233 Class4, ISO 4925 Class4.

- 100% Synthetic.
- Ensures safe driving in extreme hot & cold conditions.
- Exceeds the performance of DOT 4.
- Also suitable for use in hydraulic clutch systems.
- Non-reactive to materials in the brake system.
- Not to be used with mineral oil system.
- For all vehicles using glycol based braking system including EVs.

Packaging : 100ml, 250ml & 500ml

DOT 3 Brake & Clutch Fluid

Premium All Climate Brake Fluid

For disc or drum brakes including vehicles fitted with ABS systems in Cars, Trucks, Buses, Heavy vehicles, 2 wheelers & 3 wheelers

Specification: SAE J1703, FMVSS 116 DOT 3 IS 8654 , JIS K 2233 Class 3, ISO 4925 Class 3.

- 100% Synthetic.
- Ensures safe & easy driving even in extreme hot & cold conditions
- Protects braking system
- Non-reactive to materials in the brake system
- Not to be used with mineral oil system.

Packaging : 50ml, 100ml, 250ml, 500ml, 1L, 5L & 20L

Hydraulic Brake Fluid

Suitable for all climates

For all types of Automotive Hydraulic Brakes

- Has a good vapour lock characteristic
- Scientifically blended
- Has Required Anti-corrosion properties

Packaging : 50ml, 100ml & 250ml

Power steering

Power Steering Fluid

Specifications: GM Dexron III GM Allison C4

For Power Steering Systems of Car, Trucks, Buses & Heavy Vehicles for Smooth Steering Control

- Effective heat dissipation.
- Protects power steering lubrication system.
- Excellent antif foam properties.
- Protects against corrosion, wear, oxidation & rusting
- Low temperature performance.

Packaging : 250ml, 500ml, 1L, 5L & 20SL

Automatic Transmission

ATQ TASA DEX IID

Specification : GM Type-A- Suffix A, GM Dexron IID, Allison C3 & C4

Automatic Transmission Fluid

- Possesses High Oxidation & Thermal Stability
- Good low temperature viscosity
- Anti-Framing property
- Compatible with all type of Elastomer Seals used in Automatic Transmissions
- Maintains oil viscosity across broad temperature range & retains film strength
- Good seal compatibility & excellent lubrication
- Protects against Rust, Wear & Corrosion
- Good oxidation Stability
- Excellent Anti foam properties
- Use on Automatic transmission System

Packaging : 500ml & 1L

Auto & E-Rickshaw

Smooth Gear Functioning

- Improves ride efficiency
- Good seal compatibility & excellent lubrication
- Exceptional thermal stability & protection against oil oxidation
- Protects against rust & corrosion
- Excellent anti-foam properties
- High RPM
- Use on : Auto & E-Rickshaw

Packaging: 300ml

Antifreeze & Coolant

Antifreeze Coolant Concentrate

Organic Acid tecnology Long Life 100,000 + km

Highly suitable for All Petrol & Diesel Engine Cooling Systems Specification: IS 5789:2006

- 1L makes upto 5L
- Protect radiator against rust & corrosion
- Effective cooling
- Good chemical stability
- Environment friendly coolant

Packaging: 500ml, 1L, 5L & 20L

Coolant Ready Mix

Organic Acid tecnology Long Life 100,000 + km

For use in cooling system of all Diesel/Petrol Vehicles, Passenger cars, Jeeps, Vans & Tempcos

- No addition of water required
- Exact premixed concentration of coolant as per cooling systems of engines
- Contains inhibitors preventing corrosion or scale information
- It avoids variation of concentration of coolant which happens when topped up with ordinary water or coolant

Packaging : 1L & 5L

Antifreeze Coolant Red Concentrate

Organic Acid tecnology Long Life 100,000 + km

Highly suitable for All Petrol & Diesel Engine Cooling Systems Specification: IS 5789 : 2006

- 1L makes up to 3L
- Provides Excellent Cooling System
- Prevent Engine to Freeze in low temperature
- Provides Full Corrosion Protection for entire Radiator & Cooling System
- Provides Protection against Freezing, Overheating, Scale Forming & Fouming
- Prevents Boiling of Cooling water

Packaging : 500ml & 1L

All Weather Antifreeze Coolant Concentrate

Organic Acid Technology Long Life 100,000 + km

Antifreeze Up To -50°C

For Cooling systems of all heavy and light duty combustion engines.

Specification : IS 5759:2006, ASTM D3306, JISK 2234:2018 Class 2, BS 6580:2010

- 1L makes upto 5L.
- Non-foaming & reduced evaporation.
- Full strength concentrate designed for all weather conditions.
- Proven in the demanding conditions of Kargil, Ladakh & Kashmir.
- Superior protection against corrosion extends engine life.
- Stops spread of rust, corrosion, pitting, gunk, grime & build-up.
- Latest OAT technology.
- Ethylene glycol base.
- Compatible with all metals, rubber, elastomers, plastics and seals.

Packaging : 1L & 2.5L

Tropical Summer Coolant Super Concentrate

Organic Acid Technology Long Life 100,000 + km

For cooling systems of Cars, trucks, buses, 2 wheelers & 3 wheelers

Meets anti-corrosion properties of: IS 5759:2006, ASTM D3306, JISK 2234:2018 Class 2, BS 6580:2010

- 1L makes up to 9L.
- Non foaming and reduced evaporation.
- Protects against sludge formation.
- Superior protection against corrosion extends engine life.
- Stop spread of rust, corrosion, pitting, gunk, grime and build-up.
- Works with all metals, rubber, elastomers, plastics and seals.
- Universally compatible.

Packaging : 1L

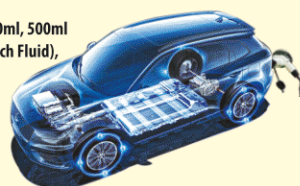

EV

Heading Our EV products deliver superior performance, safety, and eco-friendly protection, tailored to meet the demands of modern electric and hybrid vehicles.

1. EV CSO Coolant (Oat Low Conductive).
2. Full Cell Coolant (FC Coolant).
3. EV CA-VIN EV batterydrum thermal management fluid (water miscible).
4. Dot 4 EV (Brake & Clutch Fluid).
5. HubGrease EP-3.
6. EV Dielectric Thermal Management Fluid.
7. Transmission Fluid 75W.
8. Devcon III.

Packaging: 100ml, 250ml, 500ml
Dot 4 EV (Brake & Clutch Fluid), 210L & 20SL

EP Grease Red NLGI 3

Specification: NLGI GC-LB

Very High-Performance Long-Life Grease for all Automobiles including heavy vehicles like trucks, buses & off highway vehicles

- High dropping point above 280° C gives thermal stability.
- Long life 75,000+ km with excellent shear stability.
- Extreme pressure performance withstands heavy & shock loads.
- Maximum lubrication with advanced gel technology.
- Protection against corrosion, wear & oxidation.
- Heavy duty grease for heavy vehicles and off-road equipment.
- High performance meets requirements of NLGI GC-LB.
- Good seal compatibility & excellent lubrication.

Packaging : 500gm, 1kg, 3kg, 5kg, 7kg, 10kg & 180kg.

AP-3 Multipurpose Gel Grease

Specification: NLGI GC Certified IS 7623, 12203

Multi-purpose High Performance Gel Grease for Universal Application in All Vehicles

- NLGI 3 Consistency with excellent mechanical stability
- High Dropping Point above 250° C
- Provides high lubricity, suitable for high-speed applications
- Heat resistant with high drop point
- Water resistant & protects from corrosion
- Long-life 75000+ km

Packaging : 40gm, 50gm, 90gm, 200gm Tube, 500gm, 1kg, 2kg, 3kg, 5kg, 18kg & 180kg.

Wheel Bearing Grease

Specification: IS: 10647 Certified

High Temperature Wheel Bearing Grease Provides trouble free long service

- High Temperature Stability
- Ensures Maximum Lubrication
- Longer Bearing life
- Easily pumpable and do not channel while cold

Packaging : 90gm, 200gm (Pouch), 200gm Poly Container, 500gm, 1kg, 2kg, 3kg, 5kg, 18kg & 180kg

AP-3 Multipurpose Grease NLGI-3

Specification: IS: 12203:1999

- Ensures Maximum Lubrication.
- Protects against Corrosion, Wear & Oxidation.
- Longer Bearing life.
- Good water washout characteristics.
- Good Shear Stability for universal application.
- Provides high temperature stability.
- Use on: Cars, Trucks, Buses, Heavy Vehicles, 2 wheelers, 3 wheelers.

Packaging : 100gm Tube, 200gm Tube, 200gm, 500gm, 1kg, 2kg, 3kg, 5kg & 18kg

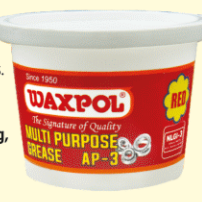

Multipurpose Red Grease NLGI-3

Specification: NLGI GC IS 7623, 12203

Long-Life Grease for all Automobiles cars, 2 wheelers, 3 wheelers, heavy vehicles, trucks, buses & off highway vehicles

- High lubricity ensures maximum lubrication.
- Protects against corrosion, wear and oxidation.
- Longer bearing life.
- Good water washout characteristics.
- Good shear stability for universal application.
- Provides high temperature stability.
- Long life 75000+ km
- Use on: Cars, trucks, buses, heavy vehicles, 2 wheelers, 3 wheelers.

Packaging : 100gm Tube, 200gm Tube, 500gm, 1kg, 3kg, 5kg, 18kg & 180kg

Tractor Grease Multi Purpose AP-3

Specification :IS: 12203:1999

- NLGI Certified
- Water & Heat Resistance.
- High Lubricity.
- Long Life & Performance.

Packaging: 500g, 1kg, 2kg, & 180kg

Grease

Universal Joint Grease - Moly Base

Heavy-Duty High Load Grease with Nano Lubricants

For C Joints, flexible joint, pivot pins, cams, screw spines, shafts, slide, etc. of passenger vehicles, commercial vehicle components & high load, extreme pressure points in Quarries, mining, and docks, agriculture & construction equipment

- Excellent for heavy and shock loads with extremely high weld load of 800+ kgs compared to average 100kgs for regular greases.
- Good heat resistance with high dropping point above 250° C.
- Protects against wear & corrosion.
- Extra heavy-duty grease specially suitable for very demanding application including mining.
- Good oxidation stability.
- With advanced Nano lubrication technology.
- Good water resistance.
- Protects moving parts of vehicles subject to severe shock load impacts.

Packaging : 75gm, 300gm, 180kg

2 Wheeler

Shock Absorber Oil

Superior Performance & Protection For

Front Fork & Shock Absorbers

- Excellent damping effect
- Anti-Wear properties reduces friction & increases life of shock absorber
- Maintains oil viscosity across all climates
- Excellent anti-foam properties
- Good seal compatibility and excellent lubrication
- Good oxidation Stability

Packaging : 175ml Spout Bottle & 350ml Spout Bottle

Chain Lube

Penetrates, Lubricates & Protects

For Chains of street motorcycles and go-karts with O-ring, x-ring, z-ring

- Formulated for very fast motorcycles, street motorcycles and go-karts with all types of chains, o-ring, x-ring, z-ring.
- 360° spray system with focused nozzle.
- Penetrates deep to lubricate.
- Protects from rust and corrosion.
- Water wash resistant.
- Increases chain & sprocket life. Reduces wear.

Packaging: Racing & On Road : 150ml, 400ml Off Road : 400ml

Lubricant

WRX

Multi-Use Spray

- 360° Spray with 95% less gas
- Great for Lubrication, Degreasing, Cleaning, Protection & Penetration
- Water Displacement
- Loosen Rust, Free Sticky Mechanism
- One formula, multi functions . Safe for almost anything
- Easy and Convenient to use
- Use on: Multipurpose use. Automotive, Home & Office, Agriculture, construction & mining machinery, industrial machinery, tools & hardware, marine & fishing equipment.

Packaging : 75ml/50gm, 225ml/170g, & 420ml/ 341g

Dry Graphite Lubricant

Solid Lubricant for speciality applications where liquid lubricants do not work

- Microfine Pure Graphite powder based
- Nano adhesion of lubricant maintains lubricating action for a long time
- Dry film resists dirt, dust & oil
- Electrically conductive coating
- Contains multi-purpose sulfur-phosphorous additives for severe service
- Excellent oxidation stability reducing formation of acid, sludge & varnish
- Excellent foam resistance
- Excellent low temperature fluidity

Packaging: 35g

Gun Oil

Gun Oil

For All calibers & gauges of Gun, Rifle, Pistol

Specification : JSS 9150-11 OX-52

- CLP-Clean Lubricate and Preserve. Use as bore cleaner, rust protectant & lubricating oil.
- Neutralizes the effect of sweat & skin oils.
- Safe on wood stocks, polymers, plastics.
- Ideal for all firearms & knives.
- Cleans powder residue. Displaces & repels moisture.
- Protects from corrosion & preserves super thin film lubrication for smoother action.
- High penetration reaches all moving parts.
- 70 years of experience in gun oil.

Packaging: 50ml, 150ml Aerosol & 5L

Gear Oil

Heavy Duty Differential/ Axle Gear Oil EP 85W140

Specifications: SAE 85W 140, API GL5, MIL-L-21052 IS 1118:2019

For heavy-duty manual transmissions, transaxes, hypoid & worm gears of differentials & axles used in Regular & Turbocharged trucks, buses, LCVs & Heavy Earthmoving Equipment operating under high speed/low torque or low speed/high torque conditions

- Enhanced performance in Gears subjected to extremely heavy & shock loads
- Maintains oil viscosity across broad temperature range
- Retains film strength under high loads, application including mining.
- Reduces friction to wear & prolong component life
- Protects against rust & corrosion in extreme pressure
- Excellent anti-foam properties
- Good seal compatibility & excellent lubrication

Packaging : 1L & 20SL

Multigrade Gear Oil 80W- 90 GL-5

Specifications: SAE 80W 90, API GL5, MIL-L-21052 IS 1118:2019

For heavy-duty manual transmissions, transaxes, hypoid and worm gears of differentials and axles used in Regular & Turbocharged trucks, buses, LCVs & Heavy Earthmoving Equipment operating under high speed/low torque or low speed/high torque conditions

- Enhanced performance in Gears subjected to extremely heavy & shock loads
- Maintains oil viscosity across broad temperature range
- Retains film strength under high loads, shock loads & sliding
- Reduces friction to wear and prolong component life
- Protects against rust and corrosion in extreme pressure
- Excellent anti-foam properties
- Good seal compatibility and excellent lubrication

Packaging : 500ml, 1L, 5L, 2.5L, 20L & 20SL

Scooter Gear Oil SAE 80W 90 API GL-5

For Scooters & Mopeds

Specialy formulated for Transmission systems of all makes of Gearless Scooters & Mopeds

- Optimized for start stop driving conditions
- Protects against rust and corrosion even in Extreme Pressure
- Maintains oil viscosity across broad temperature range
- Excellent Antifoam Properties thermal and oxidation stability
- Optimum film thickness for excellent lubrication
- Use on: Gearless Scooter & Mopeds

Packaging : 120ml

Multi Grade Gear Oil 75W- 90 GL- 5

Specifications: SAE 75W 90 API G15 API MT1 IS 1118:2019

For Manual Transmissions & Gear Boxes of cars, trucks, buses & vans where 75W90 is recommended

- Maintains oil viscosity across broad temperature range & retains film strength
- Increased load carrying capacity
- Possesses exceptional thermal stability & protection against oil oxidation
- EP additives smoothen gear functioning and improve ride efficiency
- Keep clean technology protects against sludge formation & extends gear & bearing life
- Protects against rust & corrosion in extreme pressure
- Excellent anti-foam properties
- Good seal compatibility & excellent lubrication

Packaging : 2.5L & 20SL

Gearol Gear Oil EP 140 GL- 4

Specifications: SAE 140 API GL4

Fortified with EP Additives for Maximum Power with Protection

- Maximum lubrication with protection
- Superior resistance to rust & corrosion
- Contains multi-purpose sulfur-phosphorous additives for severe service
- Excellent oxidation stability reducing formation of acid, sludge & varnish
- Excellent foam resistance
- Excellent low temperature fluidity

Packaging : 500ml, 1L, 5L, 20L & 20SL

Gearol Gear Oil EP 90 GL- 4

Specifications: SAE 90 , API G14

Fortified with EP Additives for Maximum Power with Protection

- Maximum lubrication with protection
- Superior resistance to rust & corrosion
- Contains multi-purpose sulfur-phosphorous additives for severe service
- Excellent oxidation stability reducing formation of acid, sludge & varnish
- Excellent foam resistance
- Excellent low temperature fluidity

Packaging : 500ml, 1L, 5L, 20L & 300ml (Auto Gear Oil) & 20SL

Engine Oil

Force-P 20W-50 SL MA2

Specifications: SAE 20W - 50, API SL, JASO MA2

Premium Motorcycle Engine Oil Specially Recommended for Bajaj, Royal Enfield, Hero, Honda, TVS, Mahindra, Suzuki and other 4-Stroke Motorcycle where SAE 20W-50 is recommended

- Provides exceptional wear protection, lubrication & shear stability
- Provides protection against sludge formation
- Possesses exceptional thermal stability & protection against oil oxidation
- Provides excellent protection for transmission & wet clutches
- Ensures low oil consumption
- More responsive to engine

Packaging: 900ml, 1L, 1.2L & 20SL

Force – 4T 20W- 40 SL MA2

Specifications: SAE 20W 40, API SL, JASO MA2

Premium Motorcycle Engine Oil Specially Recommended for Bajaj, Royal Enfield, Hero, Honda, TVS, Mahindra, Suzuki and other 4-Stroke Motorcycle where SAE 20W-40 is recommended

- Provides exceptional wear protection, lubrication & shear stability
- Provides protection against sludge formation
- Possesses exceptional thermal stability & protection against oil oxidation
- Provides excellent protection for transmission & wet clutches
- Ensures low oil consumption
- More responsive to engine
